Welcome back

A big welcome back to school. I would like to thank everyone and acknowledge how it affects people differently. It was great to see everyone back at school connecting and learning.

Big Ideas in Number

Our current focus for professional development as a staff is numeracy, specifically the 'Big Ideas in Number' methodology.

Big Ideas in Number is an approach to numeracy, specifically number, that aims to develop the number sense of all students.

As number makes up approximately 70% of the mathematics curriculum in each year level, students having strong number sense is crucial to their mathematics learning progression and assists students to transfer this numeracy knowledge into other learning areas e.g. science.

Japanese

Welcome back Shawnee Mephram we hope you enjoyed working on the Australian Curriculum. Below are some useful phrases for Japanese, used throughout our lessons at school:

おはよう ございます <i>Ohayou gozaimas</i> Good morning	こんにちは <i>Konnichiwa</i> Hello (good afternoon)	ありがとう ござい ます <i>Arigatou gozaimas</i> Thank you
さようなら <i>Sayounara</i> Goodbye	すみません <i>Sumimasen</i> Excuse me	はい いい え <i>Hai iie</i> Yes no
_____ ください <i>_____ kudasai</i> Can I please have _____?	Placeに 行って もいいですか <i>(Place) ni itte m oii des ka?</i> May I go to _____?	にほんご <i>Nihongo</i> Japanese (language)

Volunteer training

The RRHAN-EC training has been updated and needs to be carried out by all people wanting to volunteer in our school including Governing Council members. Please Ctrl+Click to access the link below.

Social Work Placement Student - Term 3 & 4

Hello! My name is Lisa Petersen and I am a Social Work student from Uni SA Magill. I will be completing my final field placement at Lyndoch Primary School during term 3 and the part of term 4.

During my time on placement I will be working with the schools wellbeing team, developing and running a lunchtime club and working with students, staff and families/caregivers to support wellbeing to meet students learning goals.

I look forward to getting to know each and every one of you during my time at Lyndoch Primary! Please come and say hello if you see me in the yard or around school.

COVID update

- Minimise the number of people coming and going from our school. Please drop and collect your child at the gate and maintain the appropriate physical distance from other adults. If your child needs additional support entering the school please call the front office on 8524 4172 and a staff member can support them with this.
- We still want to have regular communication with you so any communication is to be done through Seesaw, Teams, email or telephone.
- Whole school meetings will be done through Teams for the students only.
- Lunch orders will not be provided on Wednesdays until otherwise advised.
- OSHC will continue providing care for all students.
- Sports PE lessons will continue as normal. Further information around sports days and other sporting events including SAPSASA will be communicated as they arise.
- Face masks
 - Adults must wear face masks. Exceptions to this include when teaching or engaging with students, eating or drinking, during PE lessons, when outside or who have a medical condition.
 - Surgical face masks are available in all classrooms for students if they wish to wear them however they are not compulsory for students in primary school settings. Students can wear their own cloth masks.

Reception/Year 1 Literacy

During my visit in the Reception/Year 1 classroom I observed the students learning about phonemic awareness. This is the ability to understand that spoken words are made up of individual sounds called phonemes, and it's one of the best early predictors for reading success. Recently most classes are using the 'Heggerty' book.

Along with this the students were having fun learning about middle sounds with shaving cream.

If you're unwell, get tested
