## Future Planning

Planning is continuing for 2022. We are looking at class configurations and need accurate numbers for each year level to plan the best possible scenarios. Consequently we would like to know if you are planning to leave the school.

We will seek your feedback early in Term 4 regarding your child's placement. If there are any issues you would like considered, please email the school so that this information can be considered, preferred to when class placements are made later in the year. If there are any matters requiring more urgent attention, please speak to the teacher in the first instance.

We also want to make sure we have all siblings listed. If you have had a child recently, or if you are not sure whether you have lodged an enrolment form or registration of interest for any siblings, please check with Bec in the front office. We don't want to miss anyone!

## THANKED

The staff at Lyndoch Primary School do an amazing job of shaping the world by inspiring the students to reach their full potential. If you would like to thank a member of our staff you can send a ThankED message via the online portal at [www.education.sa.gov.au/ThankEd](http://www.education.sa.gov.au/ThankEd)

### Contact details

If you have changed your phone number or address please contact your child/children class teacher.

### Principal position

To keep everyone informed there has still been a delay with the outcome of the 5 year appointment of the Principal position. I will continue to keep the community informed as it becomes available to me. Also I will continue to be the Acting Principal.

### Japanese

In Japanese, a sentence can make sense even without a subject being mentioned. Verbs and adjectives are often used on their own to communicate simple ideas. There are different ways that verbs can be used, just like in English. Here are some common adjectives and verbs (the left verbs are in what is called plain/dictionary form and the right side verbs are in polite form)

たべ る べます Taberu tabemas (To) eat	の たむ のみます Nomu nomimas (To) drink	___す る します ___suru ___shimas (To) do ___
かわいい Kawaii Cute	たのしい Tanoshii Fun	すごい Sugoi Amazing/wonderfu l/wow

### COVID update

- Minimise the number of people coming and going from our school. Please drop and collect your child at the gate and maintain the appropriate physical distance from other adults. If your child needs additional support entering the school please call the front office on 8524 4172 and a staff member can support them with this.
- We still want to have regular communication with you so any communication is to be done through Seesaw, Teams, email or telephone.
- Lunch orders will not be provided on Wednesdays until otherwise advised.
- OSHC will continue providing care for all students.
- Sports PE lessons will continue as normal. Further information around sports days and other sporting events including SAPSASA will be communicated as they arise.
- Face masks
  - Adults must wear face masks. Exceptions to this include when teaching or engaging with students, eating or drinking, during PE lessons, when outside or who have a medical condition.
  - Surgical face masks are available in all classrooms for students if they wish to wear them however they are not compulsory for students in primary school settings. Students can wear their own cloth masks.
